CELLAR DOOR JANE FAULKNER

A bubbly honour

IT'S quite civilised to be lauded for essentially drinking champagne and that's what South Australian wine-maker and bubbly devotee Jane Bromley has been recognised for. Well, a bit more than that, actually. She's

been actively promoting champagne, both the region and wines, here in Australia and hence the accolade that recognises all that, the Saint Vincent Award. Bromley was recently presented with the award, but she is no stranger

to champagne prizes either — in 2002 she won the Vin de Champagne Award, which included an educational trip to the region.
